Dear Fellow Eucharistic Ministers,

Thanks to all of you for your service during Lent and the Triduum.

The new schedules are now complete and are attached to the email announcing their completion. They will soon appear on the parish website. Please make note of your assignments to avoid any last minute surprises.

If you are subbing for someone, sign-in and put the name of the scheduled person in () after your name. Sending out an email seems to greatly help to find a sub. It is also fortunate that we are generous about filling-in when there are empty spots at Communion time at Mass. Keep up the good work!

We are glad to have 1 new minister on the new schedules. Welcome to Christopher Renz, who serves at 9am Mass and does visits to the home bound.

Keep up the good work and God bless you!
