

October 18, 2017

Dear Fellow Eucharistic Ministers,

The new schedules are enclosed for November and December. Put your assigned date and time on your calendar in **big, bold lettering**. We, and the St. Peter family, are counting on you. We understand that "things" come up, but please try to find a sub in plenty of time. If you are subbing, be sure to write the name of the scheduled person next to yours.

The sign up sheets will be on the table in the minister's sacristy for All Saint's Day (November 1st). The Masses for All Saint's Day are 6:45, 8:15, 12 Noon, and 7 pm. The 8:15 Mass is the school mass and they will supply the ministers.

On November 2<sup>nd</sup> at 7 pm we will celebrate a Mass of Remembrance and Communion will be distributed under both species. We already have 1 Eucharistic Minister and need 2 additional volunteers to distribute the Blood of Christ at this Mass. Please let us know if you wish to volunteer.

Immaculate Conception (December 8th) is on Friday this year and sign up sheets will be in the ministers room before Thanksgiving. Christmas Eve Masses will be at 4 pm, 6:30 Pm and Midnight and Christmas Day Masses will require volunteers. Please Note that there will be only two Christmas Day Masses: 9:00 am and 11:00 am. There will be no 6pm Mass on Christmas Eve nor on New Years Eve. There is only an 8:15 Mass on New Years Day (not a Holy Day).

We will rely on volunteers from the congregation for our Thanksgiving Day Mass (9:00 am). Come to church, give thanks, and share the Eucharist.

If you have friends or family members interested in becoming a Eucharistic Minister please have them send us an email or call us on the phone. We can use a few more ministers. Training can be scheduled at a convenient time.

Again, thanks for all who volunteer for this important ministry. St. Peter Parish is blessed by the work you do. Feel free to call us if you have any questions and/or concerns.

The peace of Christ be with you and your loved ones,

Trish and Bob Martin Tel.821-3303 trobmartin@mindspring.com
